A. Read the text below and answer the following questions.

Taxpayers from Campo Grande and Sidrolândia are awarded the prize from the Nota MS Premiada Program

Three lucky people from Campo Grande and one from Sidrolândia were awarded the prize in the last draw (31/05) of the Nota MS Premiada Program and will share the prize of 100 thousand, each one getting R\$ 25 thousand. In the corner, there are 308 winners who share the prize of R\$200 thousand, with a value of R\$649.35 each.

To compete for prizes, the consumer must request the inclusion of their CPF on the invoice. After purchase, when the document is issued, eight dozens are generated with random numbering. The draws are carried out with dozens of Mega-Sena, Caixa Econômica Federal, always in the last draw of the month following the issuance of the invoice.

It is important to remember that consumers only need to register on the website: [www.notamspremiada.ms.gov.br](http://www.notamspremiada.ms.gov.br) if they are drawn, just including the document at the time of purchase automatically guarantees participation in the draw. Purchases from R\$1.00 are already in the running.

For the head of the Fiscal Education Unit/Nota MS Premiada Program, Josceli Pereira, demanding the issuance of an invoice whenever purchasing goods, products and services is an act of citizenship, in which the consumer starts to act as a collaborator of the state tax authorities in the combating tax evasion. The issuance of the note guarantees that the merchant or service provider passes on to the State the tax that will return to society in the form of public services such as: health, security, education, infrastructure and many others. “In return for this act, the State presents the citizen with the eight numbers so that they can compete for the 300 thousand reais in the program”, says Josceli.

This happened with the recipient of the month of April/2023, Cristina Machado dos Santos, resident of the city of Dourados. Asking for an invoice was part of Cristina's routine. “I always put my CPF number on the invoice for all my purchases, I believed that one day I would be included. It happened! I won 25 thousand and I will be able to fulfill my dream of expanding my house. Much gratitude to God and the Program”, he concludes.
